## 2019 Krispy Kreme Sales

The Boyd County FBLA chapter completed a Krispy Kreme doughnut fundraiser! The chapter sold 615 dozen doughnuts this year and will use the proceeds from this fundraiser to pay for conference registrations, chapter events, and travel expenses. The delicious doughnuts arrived on May 17 and the chapter would like to thank Mrs. Black, Mrs. Zidko, Mrs. Fletcher, Mr. Brown, Mrs. Kluckman, and Mrs. Dickey, as well as Krispy Kreme out of Omaha for making this fundraiser possible. Our chapter appreciates everyone who purchased doughnuts and for supporting our chapter!

## NLC INTERNSHIP

Chapter President, Joseph Hiatt, has been selected as the 2018-2019 National FBLA Conference Intern! Joseph will assist conference staff with conference logistics and headquarter management. He is ready to create, lead, and inspire in San Antonio!

## National Leadership Conference Fundraisers

The national qualifiers have been working extremely hard to plan and execute fundraisers to assist with covering the expenses of their trip to San Antonio this summer. The national qualifiers would like to thank the Boyd County Board of Education and the Spencer Community Foundation for their generous donations.

The first fundraiser that was completed to raise money for this conference was popcorn ball sales. The NLC qualifiers sold 461 gooey popcorn balls. They were very pleased with the

outcome of this fundraiser and would like to thank everyone who ordered popcorn balls!

They will also be selling Schwan's ice cream at the Elementary Track & Field Day on May 20. Please stop by to enjoy an ice cream treat and support the ten national qualifiers.

The FBLA national qualifiers will also be cooperating with the 11 FCCLA national qualifiers to raffle off a quilt donated by Trudy Boettcher. The quilt booth will be set up at the Spencer Community Hall on May 18 at Spencer Cruise Night, the Spencer Memorial Day Breakfast, and at Nebraska State Bank. The quilt will be raffled off on June 22 at the Boyd County Alumni Banquet. Thank you for your support!
