HOMECOMING 2020 – Elizabeth Holmberg

Days for homecoming! Monday: Color day, Tuesday: America day, Wednesday: Backwards day, Thursday: Redneck day, Friday: Spirit day

To show their class spirit, each class decorated their lockers. The sophomores did a beach theme as the "Surfin Sophomores"

The "BC" was lit by King, Isaac Koenig and Queen, Lauryn Hoffman.

Football Results

The football team did a lot of good things in the first half, including a nice drive towards the end. To be down 18 to 0 and to hold them scoreless the second quarter, to a good team like the Bloomfield Bees is a positive for us. The second half we came out flat, and in high school sports, when they get some kind of momentum, it can be hard to stop them.

Gracen Eckert

September Kindness Awards

Gracen put together a classmate's interactive notebook while he was at band practice so he wouldn't fall behind.

Jenny properly wore her mask in the gym throughout a whole night of volleyball.

Constitution Day

By~ Rachel Matthews

This month, on the 17th, our Nation celebrated Constitution Day! This federal holiday, ⁽¹⁾ established in 1940, observes the signing of one of the most important documents in our country's history. The Constitution was signed on Sept. 17, 1787 by ⁽²⁾ 39 delegates, including James Madison, 'The Father of the Constitution'. Now, we use Constitution Day to celebrate our nation's citizens, and to "recognize all who, by coming of age or by naturalization, have become citizens."

I am so beyond thankful we live in a country where a Constitutional document was not only written, but continues to be upheld.

FFA - West Holt Range Judging

By- Leah Jockens

Boyd County competed at the West Holt ranging judging on Sept. 17. Range judging is an FFA event where you classify either plants or the ground/soil. During the event, you would have to know what each plant is and tell whether its annual or perennial, when it grows, and if it is a grass, grass-like, shrub or forbs. You would also have to be able to tell what kind of ground it is such as wetlands or sub-irrigated. Even though it was outside, they still had to deal with covid guidelines, such as staying in your school group and staying away from other groups during the sessions. They did not have very many people that competed, but 21 of them still went. Some of the higher ranks were:

Trevor Goesch - 179, Nathan Koenig - 168 and Brett Koenig - 138 for the junior division. There were high ranks in the senior division as well, with Andrea Hipke - 119, Kaci Mashino - 117 and Jenny Goesch - 99.

Art Spotlight- 7th grade!

This month, Denise Dennis, Boyd County High School's art teacher, had an art competition amongst her 7th students. The students were given the theme superheroes, and a week to work on their projects, using coloured pencils as their medium! Claire Reiman's Spiderman is on the left, and ReNae Kluckman drew Wonder Woman, at the right. Dennis picked both of these pieces, as she said "They both put a lot of work into their art and their pieces turned out phenomenally"

Amy Holz, MS/HS Secretary Favorite Quote

"Don't rush through life - it's a journey, not a race. Trust in the goodness of people. Work harder than everyone else does. Forgive and forget. Tell someone you love them every day, be honest and kind. Laugh whenever you can and leave your worries behind. Be honorable and live today like it was your last." - Live Well

Desirea Bernt, BC Para Favorite Quote

"Just don't give up trying to do what you really want to do. Where there is love and inspiration. I don't think you can go wrong."
