BACK TO SCHOOL BASH

To get the kids back in the swing of school, the Boyd County FCCLA, FBLA, FFA, and Student Senate all teamed up and put on a "Back to School Bash" on August 14th to welcome in the new 5th graders and get the kids excited to start school. The Student Senate had a schoolwide scavenger hunt to get the younger kids familiar with the school, while the other groups had activities at the football field. FCCLA had a water balloon fight while the FBLA did an obstacle course. FFA finished it all off with a couple cornhole tournaments. Everyone is super excited to get back to school and learn so many new things.

MOVIE NIGHT

The Boyd County Student Senate hosted a movie night on August 16th to celebrate the start of the school year. This night doubled as a canned food drive for FCCLA in which each person that came to watch the movie was also asked to bring three canned food items and was also used to spread awareness about anxiety in children and teens alike. A small presentation was given by Gage Keyes about what anxiety is and how it can affect you, as well as multiple different ways to help subside or prevent anxiety. To help give a good representation of how emotions work together, the Student Senate played Inside Out.
