We did not end up with enough students from every class to split up the nights between classes, so we are just going to give this schedule out to all of the members and say make it to whatever games you can make it to. We do not expect everyone to make it to every game, so just come when you can. We are looking forward to getting the Spartan Spirit Squad going and showing our spirit for our student athletes!

Don't forget your Spartan Spirit shirt! The student senate will take care of the rest!
