Winter Ball Highlights- Neveah Jockens

On Saturday, February 12th, The Boyd County Student Senate hosted the annual Winter Ball. The Boyd County kindergarteners were a part of the coronation this year as well. They got to hold paper chains and light up the walkway as royalty walked up to the stage. There were four kindergarteners who got to carry off the crown, scepters, and robes up to the homecoming king and Queen, Jake and Bentley. Ethan McBride and Natalie Hausmann were crowned Prince and Princess, and Dillion Koeing and Haylie Carson were crowned King and Queen to the sounds of trumpets played by Mr. Hiatt and Mrs. Hausmann. Everyone had a great time eating finger foods provided by students and parents, dancing, and using the backdrops to take pictures of the magical night!

FCCLA Week is about the promotion of the organization, and to honor the former and present members involved. FCCLA Week is celebrated across the nation and anyone can participate in FCCLA Week, including members and the people of the town. This week is celebrated because it's a national holiday to honor their organization. They also like to dress up and publicize their organization. It was held on February 14th- February 18th and lasted a week, honoring the FCCLA organization and everything its members do for the school and community.

March Kindness Awards - Gage Keyes

The winner of the March Kindness Awards is Zandon Beyer. He won for being very polite and holding the door open while a staff member was taking out the trash.
