COVID Restrictions----With the 50% capacity guidelines, I feel confident we can make this work. I will have specific sections of the gym labeled for each school's fans. We have two locker rooms available and a weight room that we can use as a dressing room. In light of that, here are the locker room assignments.

North Locker room---St. Mary's

South Locker room--Boyd County

Weight Room--Stuart

West Holt will arrive dressed---Coach Neptune has graciously agreed to have his team come dressed.
(Thank you for that)

I have included our other COVID guidelines. Please let me know if you have any questions.

Good luck to all teams.

If you have any questions, give me a call at the school.
